

LEDBURY ARCHERS "252" IMPROVEMENT AWARD

The 252 award is designed to help you practice your shooting at different distances and recognise your achievements. After 6 sighters, you shoot 3 dozen arrows on a 122cm face at your chosen distance. The round can be shot at 20, 30, 40, 50, 60, 80 or 100 yds with the aim of scoring 252 or better (alternative scores apply for other bow types). If you achieve the score twice you can claim a badge.

It is an award scheme in use at many archery clubs in the UK and applies to all archers, irrespective of age, ability or bow type (scores differ by bow type).

The Rules
